Subject : - Approval marine feed manufacturer
- « Fresh Salmon » LA31-05

To the attention of Nina FLEM

Dear Miss,

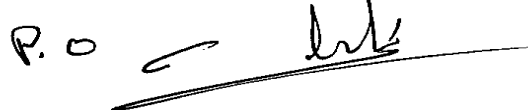

We are pleased to inform you that we have given a positive decision on your demand for the approval of the feed manufacturer for the production of fresh water feed, according to the standard «fresh salmon» LA 31-05 owned by the Quality Groupment PAQ.

Wishing you a good reception of this,

Yours faithfully,

Directrice Exploitation
